Date of Seminar : 04.08.2014

Report submitted by : Rayudu Peyyala, Dept of Mechanics

Professor **V. Sankar** addressed the teaching faculty members of MITS on “**GUIDELINES FOR AUTONOMOUS ENGINEERING COLLEGES**”.

His lecture did cover the following points.

- The college shall have autonomy in the matter of Framing syllabus / course content adopting the Universities general pattern, Arranging for instruction to students, devising methods of evaluation, examinations, and tests pertaining to the award of the degree by the University.
- Discussed on the constituents of governing body members. The category and the nature of the Governing body members.
- Briefed on the regulations for framing the Academic council.
- Explained in detail about the Board of studies Functions, roles and responsibilities
- Described about the Composition of Finance Committee.
- Further he briefed about the various committees that the college should frame:
 1. Grievance Redressal Committee
 2. Planning and Evaluation Committee
 3. Examination Committee
 4. Admission Committee
 5. Studies, Welfare & Extra-Curricular Activities Committee
 6. Library Committee and
 7. Anti-Ragging Committee
- Detailed on the Admission Process
- Briefed on the fee to be paid for the University.
- Explained regarding the Monitoring & Development Committee / Executive Council of the University.

This lecture was so informative and beneficial for the teaching faculty members as it helped them in understanding the guidelines better and also to equip them with the principles of being an autonomous Institution.
