5. 17-03-2012 Health Checkup/ first Aid
6. 19-03-2012 Adult Education/ Rights
7. 20-03-2012 Organic Farming & Tree Plantation

There was an inaugural session started at 10am in the heart of the village. Considerable amount of crowd was gathered by making them aware of the program. I am happy to inform you that the chief guest for the inauguration was the Sarpunch Sri Ramakoti Prasad Rao of Thettu Gramam. Here by the village where the camp was conducted the Principal of our college accompanied by me and received the Chief Guest for the inauguration. The Chief Guest gave his speech insisting the importance NSS camp by introducing our students to the villages and introduced the villages each and every one and the agenda at the camp for 7 days.

Computer learning:

The second day was witnessed to give knowledge of computers to the villagers. Our NSS students explained about the importance of technology to the people in the village. Practical knowledge of Internet, and emails have also been explained

School dropouts:

On the third day of the camp, there was a powerful discussion of school dropouts which is an urgent and serious issue. The villagers were given sufficient knowledge of difficulties that they face in future where they don't take education as an important thing for their children in this connection we visited all villagers' houses and discuss about the importance of children education and two members of school dropouts children we found and talk with their parents and motivate them. In this connection we

visited different schools and collected the data and tried to convince the parents to rejoin their children.

MEDICAL CAMP:

The fourth day of the camp was highly useful for the villagers. It is about medical camp conducted for the whole day. The Doctor from MITS College Mr.Chennaiah Prasad, and his assistant visited the camp and treated many patients and provided necessary medicines for them. The students took lot of pains to conduct this very useful program

HUMAN RIGHTS, ADULT EDUCATION AND CLEAN & GREEN:

Fifth day of the camp was to explain about human rights, Adult education, and Clean & green programme... It was a door to door campaign to get the villagers aware of the importance of being educated. In a family to light the lamp of literacy 100% and how a secured life can be given for their family.

Road Repairs:

The Sixth day of the camp was about road repairs duly putting morum for the damaged roads. In this camp all the students were actively participated and appreciated by the villagers.

The last day of the camp was **TREE PLANTATION**

Tree plantation is also a part of NSS camp for healthy survival. More than 100 saplings were planted, in which the villagers were participated very actively throughout the day. In the evening by 03:30 PM valedictory function was arranged in the presence of the Principle.
