

About MITS

Madanapalle Institute of Technology & Science (MITS) was established in 1998 in the picturesque suburbs of Madanapalle, Andhra Pradesh. MITS was founded by Ratakonda Ranga Reddy Educational Academy under the leadership of Late Shri. N. Krishna Kumar, M.S. (U.S.A), the then Chairman and Dr. N. Vijaya Bhaskar Choudary, Ph.D., Secretary & Correspondent. MITS is governed by a progressive management that has been striving conscientiously to develop it as one of the best centres of academic excellence in India.

The institution envisions to become a globally recognized research and academic institution and thereby contribute to technological and socio-economic development of the nation. It operates based on strategies and action plans that match changing demands of the nation and the fraternity of students and researchers. MITS is accredited by NAAC with A+ grade and its departments are accredited with high scores by NBA. MITS is recognized as a Scientific and Industrial Research Organization (SIRO) by the Department of Scientific and Industrial Research (DSIR) of Department of Science and Technology, Government of India.

About the Department

The Department of English & Foreign Languages strives to equip students with professional skills required to excel in their field through effectively structured syllabi that satisfy the dynamic needs of employers and higher academic institutions. The department has highly qualified faculty members with their Ph.Ds awarded by reputed institutes. The College Academic Council and the Board of Studies of the Department strive to provide quality education to help students achieve their dreams. The department also adds value to the student experience by organizing cultural and literary events.

Five-day Online Faculty Development Programme on

**Industry of Teaching English:
Practical Strategies,
Research and Insights**

May 23 - 27, 2022

www.mits.ac.in

Faculty Development Programme

The five-day online faculty development programme will provide a unique national level opportunity to hold an in-depth discussion on recent approaches to teaching and learning in the field of English Language Teaching. The new teaching approaches and tools that have come up in the wake of the pandemic have proven to be effective for the new generation of learners and educators. This programme shall be helpful for the faculty members, educationalists, and researchers to participate and exchange their valuable thoughts towards formulating effective strategies in teaching English language and to meet the global standards of higher education.

Objectives of the FDP

The FDP aims to provide the latest as well as time-tested teaching and learning approaches, methods and techniques. The FDP has the following objectives:

- To familiarise the participants with innovative teaching-learning methods and effective pedagogical techniques
- To facilitate participants to upgrade their knowledge and skills which will enable them to design and implement instructional strategies, syllabi, lesson plans, and materials
- To sensitise participants with the latest research areas and methodologies on teaching and learning
- To provide a platform for continuous professional development and for deepening their knowledge about the recent trends in English language teaching

Proposed Outcomes of the FDP

- Participants will be able to explore and implement innovative methods of teaching and learning.
- Participants will be able to gear up for teacher effectiveness for meeting the post-pandemic challenges.
- Participants will be able to link language and learning theories with practices.
- Participants will be able to identify the latest research areas across specialisations and approaches in English language teaching.

Registration

We invite faculty members and research scholars to participate in the faculty development programme. We request you to pay the registration fee online and provide your details via the link below to register for the FDP:

Fee: For faculty members: INR 750

For research scholars: INR 500

Payment of fees can be made to the following account through account transfer (IMPS/NEFT/UPI).

Name of the account holder: Madanapalle Institute of Technology & Science

Account number: 50200004213888

IFSC Code: HDFC0002435
