## Report on

A one day Seminar on “Artificial Intelligence” 30<sup>th</sup> October 2019

**Submitted by: Dr. V.C.Bharathi, Associate Professor / CSE, MITS, Madanapalle**

The Department of Computer Science & Engineering organized one day seminar on “Artificial intelligence” to B.Tech- III Year CSE and CST students on 30<sup>th</sup> October 2019 with the motto of empowering the students’ knowledge in current trends and research challenges.

### **Inauguration:**

The inaugural session started at 10:15 AM in the Seminar hall - A, Dr. Vengingston K invited Dr. Prahlada Rao B.B., professor & Dean, Dr. Mahaboob Basha Shaik, Head of the Dept., CSE, Dr. R. Thulasiram Naidu, professor & Head of the Dept., Humanities, Dr. P. B. N. Prasad, Associate Director - Research & Development, Dr. K.R. Murali Mohan, Head, ICPS, DST onto the dais.

Dr. Vengingston K addressed the students and explained the importance of Artificial intelligence and its applications. He requested them to learn perfectly in order to get the research project objective or to reach the success.

Later, Dr. Mahaboob Basha shaik, gave brief introduction to current trends and challenges in current society, how to solve these problems and detailed about the opportunities of project based learning during the guest lecture session. Finally, He addressed the students and motivated them to use this opportunity. He thanked the organizers for organizing this one-day seminar.

The speaker, Dr. K.R. Murali Mohan explains the Current society facing problems, importance of AI in some of the applications such as India railways, Indian weather forecast, and food wastage reduction. He also mentioned about student responsibilities in current society to reduce human caused problems such as food wastage. Later, he explained, how a student should think to solve these problems using new technologies. For this, how a institute can help students and faculty? Whether interdisciplinary interaction will solve these problems?

Finally, he mentioned about opportunities present in DST for the students, how to grasp these opportunities with new technologies.

**Vote of thanks:** Dr. Mahaboob Basha Shaik, proposed vote of thanks. He thanked all the student members of CSE & CST Department, Faculty members of MITS, for attending the seminar. He extended his thanks to all the members who are directly or indirectly provided their support to conduct this Artificial Intelligence seminar.
