Submitted by: Mr. Shaik Tipu Rahaman, Aptitude Trainer, Training and Placement Cell

Participants: III and II Year B.Tech – Computer Science & Engineering, Electronics and Communication Engineering Students – MITS on 11th February 2019

Edyst Online with Department of Computer Science & Engineering and Electronics & Communication Engineering organized the program on Succeeding at Coding Interviews to B.Tech- III and II Year students on 11th February 2019 with the aim of giving an exposure to current recruitment process and importance of programming/coding for fresher.

Summary of the program:

1. Edyst is the online coding platform that provides an opportunity to learn latest online courses for cracking job interviews with huge packages. It focus jobs for fresher in the major giant software companies like Google, Face book, etc...
- It is an ideal platform for those who are passionate about programming.
- To enroll in Edyst, the student has to qualify the pre-assessment test for which basic knowledge on concepts of C, Java is required. The assessments are followed by logical puzzles help to identify deficiencies that will overcome for further learning.
- Enrolling in Edyst will train and make the students to code well.
- If a student dedicates 250+ hours on this platform can code 10,000+ lines and can grab an opportunity to get placed in top tier software companies.
- Earlier Aptitude test + communication skills test was sufficient to recruit for a job, but as of now coding is added to it with high priority.
- This platform provides latest high end course like Advanced Data structures and algorithms that help students to get placed in 10-12 lakh package like Google, Facebook, Amazon, etc...
- By learning this, students can get 100% job placement.
- Two resource people from Edyst Online Hyderabad visited our campus to give an awareness session to our students.

Inauguration: The inaugural session started at 10:15 AM in the MBA Seminar Hall - South Block. First, invited Dr. Kippur Swamy, Associate Professor - Computer Science & Engineering, Dr.Ch. Rama Prasad Rao, Professor, Dr. Rajasekaran – HOD of Electronics and Communication Engineering and Dean –
