and Engineering*

- Venue: *Madanapalle Institute of Technology and science, Madanapalle*

Keynote speaker:

1. Dr. Mahaboob Basha Shaik, Professor & HOD, CSE Department, MITS, Madanapalle

About Employability Skills for the future :

The Department of Computer Science & Engineering, MITS, organized an awareness session on 'Employability Skills for the future' by Mr.G.Sasidhar, Technical Lead, Infosys. The session was organized for third year students, on 9th August 2019, in MBA Seminar Hall, MITS, at 9.30AM.

Mr.G.Sasidhar shared his experience, regarding preparedness for an interview. He discussed the key points which need to skills employers of the future will be looking for and he explained the requirement and importance of doing Certification Courses, for having a better placement opportunity. He spoke about the soft skills that need to be developed by the students, according to current industry requirements. He also gave guidelines on writing various competitive exams, for those who are interested of pursuing higher studies. And he also explained that Automation and machine learning will have scope in future. These will perhaps lead to the most significant changes in terms of skills required.

The session was very informative and helpful, as essential employability skills , were discussed.

Inauguration and Presentation at 9.30 AM:

Topic: Keynote Address

[Dr. Mahaboob Basha Shaik](#), Professor & HoD, CSE Department, MITS, Madanapalle

The keynote speakers for the Inaugural Program, [Dr. Mahaboob Basha Shaik](#), Professor & HoD, CSE Department, MITS, Madanapalle, addressed the gathering and delivered the keynote address with an inspiring talk.

Outcome of the Event:

This career guidance session from an alumnus with a rich industrial experience, will certainly help students to make the right choices regarding their career. It will help them understand Industry requirements, in order to prepare well and make themselves placement ready. Through this session the students understood the various phases of the campus recruitment process by leading companies offering challenging job profiles. They got useful guidelines for writing competitive exams, for pursuing higher studies.
