Report on
A Seminar on Open Source Technologies.
Organized by Department of Computer Science & Engineering
31 August 2018

Submitted by : Dr.V. Arun, Senior Assistant Professor, Department of Computer Science & Engineering

The Department of Computer Science & Engineering organized a seminar on Open Source Technologies for B. Tech- III Year I semester students on 31 August 2018 with the motto of empowering the students' knowledge in all the fields of Computer Science & Engineering.

Open Source is a fundamentally different development model that leverages the collaborative efforts of community. Open source technologies continue to revolutionize the industry. There is hardly any aspect of life which has not been touched by Open Source Technologies. By learning this, students can get 100% job placement. Mr. Mani Varadhan from "Red Hat Academy", Chennai was the resource person to train our students.

Inauguration: The inaugural session started at 10:15 AM in the MBA seminar hall. Dr.V.Arun invited Dr. P. Kuppusamy, Professor of Computer Science & Engineering, Dr.Ch.Rama Prasada Rao, Professor and Dean – Industry Institute Interaction Cell, Mr. Mani Varadhan, CEO, Plexus Networks, Chennai; onto the dais.

Dr. P. Kuppusamy in his address to the gathering explained the importance of Open Source Technologies. He requested the students to learn perfectly in order to get a job or to reach the success.

Later, Dr. Ch.Rama Prasada Rao, addressed the students and motivated them to use this opportunity. He thanked the organizers for organizing this training program.

Mr. Mani Varadhan gave a brief introduction to Red Hat – Open Source Technologies and detailed the experiments they are going to train in the training session.
