Report on  
An Awareness Program “The Art of Co-relating Technologies”  
Organized by Dept. of  
CSE 22 July 2015

**Submitted by: Mr. Y C A Padmanabha Reddy, Asst.Professor, Dept. of Computer Science & Engineering**

The Department of CSE with the support of Dean-IIIC, Madanapalle Institute of Technology & Science, Madanapalle organized an Expert lecture on “**The Art of Co-relating Technologies**” for Pre final & final year B.Tech (CSE) & MCA students on July 22, 2015.

**Mr.T.K.Venkataraghavan**, Founder and CEO of Nischintha Technologies, Bangalore gave an Expert lecture on the topic “**The Art of Co-relating Technologies**”. He is an eminent personality who had trained more than 3000 engineering graduates getting in to the IT industry and presented many papers on different technologies at various conferences. He motivated and enlightened students of various streams about many technologies in various institutions.

In the session, he explained about the interdependencies of various technologies and “How to approach and understand technology?”. He raised many questions to the students and made them to think about technology. The session was very enthusiastic and interactive. He explained the interdependency between operating system, printf in c language and hardware. He discussed in detail about the header files and pre-processor directives. He also guided and motivated students “How to prepare for their future in IT industry”. He created awareness about job environment in IT Industry.

The students were happy for the lecture as they expressed that the lecture was more purposeful. The Department of CSE and IIIC extends their heartfelt thanks to the Management and the Principal for the support extended in organizing the Expert lecture successfully.
